CLUB NOTES

NORTH END'S AIM IS PROMOTION

Our supporters are sincerely welcomed back to Deepdale for the start of North End's 69th season in the Football League, of which we are proud to be founder members. Forty-six of the previous 68 have been spent in the First Division and that is where we feel we belong, as do our followers.

Therefore the fans can be assured that our aim continues to be promotion and every effort will be made to achieve it. The outcome of the four pre-season friendly matches was as disappointing to the club as to everyone else but need not be taken too seriously. These are early days.

The real test begins to-day with a visit from our old friends and rivals, Blackpool, who have followed North End, Bolton Wanderers and Blackburn Rovers into the Second Division after no fewer than 23 successive seasons in the premier section. In modern times it is a wonderful record.

Little went right for the 'Pool in the last campaign, their home record of one win, five draws and 15 defeats being perhaps the worst in this sporting club's history, after several seasons of a struggle to avoid the drop which all First Division clubs dread. We know how they feel.

Their return to Division Two after having spent only four seasons in it since first gaining promotion in 1930 must strengthen the competition, for they will naturally approach their task in the same hopeful and determined frame of mind as other clubs relegated in recent years.

CLUB NOTES—*continued*

That is to say they mean, if humanly possible, to get back at the first attempt, an ambition very seldom realised these days for the reasons that so many other clubs yearn and strive to regain lost prestige and that there has been a marked levelling up in all-round ability.

There are now as many as 14 former First Division clubs in Division Two, the same as last season through the substitution of Aston Villa, Blackpool and Middlesbrough for Wolves, Northampton and Bury. Seven of the 22 teams have never been in lower company than the Second Division.

These are Aston Villa, Blackpool, Blackburn Rovers, Huddersfield Town, Bolton Wanderers, Birmingham City and Preston North End. All these are promotion-minded. So are Ipswich Town, Portsmouth and Middlesbrough, to mention only three of the remaining ex-First Division clubs.

Then there is the challenge of aspiring clubs which have never played in the highest class, among them Crystal Palace, Norwich City, Carlisle United and Millwall. All have before them the shining beckoning light of ambition achieved by Southampton and now Coventry City.

Thus there will not be any easy pickings in Division Two remembering also that two must descend at the season's end. It is likely to be the toughest section of the four, with considerable incentives offered for success and maximum effort as determining a factor as any.

Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

OUR VISITORS—*Blackpool*

With due commiseration on their fall from high estate after the long spell of First Division status referred to in Club Notes we extend the heartiest of welcomes to neighbouring Blackpool on their return to Deepdale, as will our supporters, the 'Pool always have been popular visitors.

Blackpool have been a Football League club since 1896-97, four seasons after the inception of the Second Division. They experienced many arduous years, never having a really good season until 1910-11, but there were better times ahead after the first World War and promotion was gained in 1929-30 with enough points (58) to win the championship comfortably.

Since then Blackpool have been a First Division club until now except for four seasons in the mid-'30's, and their avowed aim is to return to that sphere at the first attempt. It may sound like a romantic dream or illusion unless you are familiar with the optimism and infectious enthusiasm of their new manager, Stan Mortensen. He believes it can be done.

Recently he delivered himself of these sentiments "Blackpool have no place in the Second Division. They have the traditions of a First Division club and the present team have the skill and experience to do well in the top class. I've got now what I consider a good balanced staff with plenty of reserve strength, one that will do well . . ."

To this end there have been comings and goings at Blackpool. Morty's first big catch was Gordon Milne, England wing half of Liverpool and fomerly of North End, the Preston-born son of our manager Jim Milne. He has also signed promising Scotsmen, Tony Green and Harry Mowbray, and, at a much more substantial fee, Terry Alcock, the Port Vale discovery.

OUR VISITORS—*continued from page 9*

The last of many meetings between the rival clubs was in our relegation season of 1960-61, when we went down with 30 points, Newcastle United with 32, and Blackpool narrowly escaped with 33. We hope the results of the two matches are a good augury for the outcome to-day from Preston's standpoint, in that North End won both by the only goal. There were 17,000 spectators at Deepdale and 20,500 at Bloomfield Road four-and-a-half months later.

BLACKPOOL PLAYERS

Kevin Thomas (*goalkeeper*). Height 6ft 0¼ins., Weight 13st. 4 lbs. Signed as an amateur in March, 1966 from Prescot Town. Turned professional in June, 1966, and has improved tremendously, crowning an eventful season by appearing in the First Team for the last five matches. He is undoubtedly a player of extreme promise.

Jimmy Armfield (*Right back*). Height 5ft. 10ins., Weight 12st 4lbs. Captain of the team and an England International with a near record of caps for a full back. Has been with Blackpool for thirteen seasons and has made over 450 First Team appearances. Recently honoured by being included in England's victorious World Cup party.

Tommy Thompson (*Left back*). Height 5ft. 8ins., Weight 10st. 7lbs. A former England Amateur International and a very polished performer on either flank. Born at Stockton-on-Tees, he joined Blackpool from his home town Club in August, 1961. On the small side for a full back but has a good turn of speed and is quick in recovery.

Gordon Milne (*Right half*). Height 5ft. 7ins., Weight 10st. 8lbs. Born in Preston he played for Preston North End before signing in 1960 for Liverpool. An England International his experience will be a most valuable asset to the club.

Glyn James (*Centre half*). Height 5ft. 11½ins., Weight 11st. 7lbs. Born Llangollen and has represented Wales as an Under 23 and full international. Joined the club as a boy in December, 1957, and took over the Centre half position from Roy Gratrix in the 1964/5 season.

John McPhee (*Left half*). Height 5ft. 7ins., Weight 10st. 8lbs. Transferred from Motherwell in July, 1962. A truly versatile performer who has appeared in no fewer than seven different positions for Motherwell and five for Blackpool. A great hearted player who gives of his best at all times.

Alan Skirton (*Outside right*). Height 5ft. 11½ins., Weight 13st. 12lbs. Transferred from Arsenal in September, 1966, he is a powerful player. Hits a ball well with either foot. Very dangerous in front of goal.

Graham Rowe (*Inside right*). Height 6ft. 2½ins., Weight 12st. 4lbs. Born at Southport, Graham joined the club as an amateur in May, 1961, and after a period as an apprentice signed full time in July, 1963. The tallest player on the books. Can play equally well in the centre half position.

Ray Charnley (*Centre forward*). Height 6ft. 0ins., Weight 11st. 7lbs. Joined Blackpool from Morecambe in May, 1957. Top scorer for six seasons and has made nearly 400 appearances in the first team. An England international who can be relied upon to give of his best.

Gerald Ingram (*Inside left*). Promising well-built (5ft. 10¼ins., 12st. 7lbs.) youngster from Hull Brunswick. Signed last March and soon made three first team appearances. Born near Hull.

Leslie Lea (*Outside right*). Height 5ft. 7½ins., Weight 10st. 2lbs. Manchester born and joined Blackpool as a Ground Staff boy in the 1958/9 season. Became a full time professional in October, 1959, and made his League debut in the 1960/61 Season in the inside right position. Now doing well on the wing.

John Craven (*Substitute*). Height 5ft. 11ins., Weight 12st 7lbs. Secured from one of the local teams in 1962, he became a professional in January, 1965. Came to the fore last season playing in the first team 13 times. A strong hard forceful player who looks destined to go a long way in the game.

WARNING TO YOUNG SUPPORTERS

Despite requests to supporters that the playing area should be kept clear at all times, juvenile spectators have come on to the pitch during matches. Such irresponsible behaviour could result in this Club being the subject of action by the Football Association. If these incursions on to the pitch do not cease, the Board of Directors may be compelled to close ALL JUVENILE STILES AT BOTH FIRST AND SECOND TEAM GAMES. This is a course of action they do not wish to take, but order must be preserved at games at Deepdale for the safety of all spectators.

NO BANNERS OR FLAGS AT DEEPDALE

As announced through the Press and in our match advertisements, the Board of Directors have decided regretfully that in future banners and flags will not be permitted inside the grounds, at either first or second team games.

It was found that banners and the like constituted a source of irritation and danger to many supporters.

To obviate friction of this kind young supporters are asked not to bring banners or flags to games at Deepdale.
